Pat Carnathan brings nearly 40 years of professional calling to the stage. A classically-trained musician, Pat produces most of the music he uses on stage. He owns Shakedown Records, but has recorded on Royal and Chic, and he's produced music for several labels. Pat is known for lively entertainment, modern music, challenging choreography and a quick sense of humor. Recording under the name Patrick Neal, he released an album of original (non-square dance) music in 1998. Please visit Pat's website: www.patcarnathan.com

Hunter Keller has been calling professionally for 14 years, starting just a few short months after learning to dance. An amazing singer and entertainer, Hunter's stage presence and raw talent make him a crowd favorite. He's travelled the world calling square dances to delighted crowds. Don't forget to ask him to do his impersonation tip! Hunter has recorded for a number of square dance record labels, including Royal, Shakedown, Chic and Throwback Tunes. Please take a moment to visit Hunter's website: www.hunterkeller.com
