Fast-paced, challenging C3B Dancing

This event will feature five sessions of C3B called at dance speed with heavy use of concepts and phantoms. This event is not appropriate for everyone. Even strong C3 dancers will find this a fast, challenging event so you should consider whether that's the type of dance you'll enjoy.

Directions to Solvang

Just two and one half hours from Los Angeles, and five hours from the San Francisco Bay area, Solvang is easily reached from Highway 101 at the Highway 246 turnoff in Buellton. Coming from Southern California, take Highway 101 North to exit 140A Highway 246 (at Buellton), turn right and travel for three miles. From Northern California take Highway 101 South to exit 140A Highway 246 (at Buellton), turn left and travel for three miles. The hall is at the east end of town on the left.

From the City of Santa Barbara, visitors can also take Highway 154 to the Highway 246 turnoff in Santa Ynez.

Private aircraft are also welcome at nearby Santa Ynez airport, and Solvang is also accessible by AMTRAK, which stops in Santa Barbara and San Luis Obispo, with a connecting bus service to Solvang. Call 800-USA-RAIL for more information. Greyhound buses also stop daily in Buellton.
