It was rain-ing when I heard your sto - ry,
Just as soon as you for-got your trou - bles,

It was rain-ing, and your friends were few. I helped you all I could, Made sure that
You for-got me for a young-er face. I shared your hopes and fears, I gave you

you made good, I paved the way for you, Now you say we're through.
my best years, It breaks my heart to see Some one in my place.

REFRAIN

Aft - er I brought you the sun - shine, — You left me out in the

rain. — I took your part, — Gave you your start, — Now you re-ward me with a

brok - en heart. — I helped you win, and when you won I was the one to lose, — You took the

col - ors from the rain - bow, And left me with the blues, Aft - er I brought you the sun - shine, —

You left me stand - ing out in the rain. — rain. — D.S.
