Moderato

It seems to me you seem to be, — In  
You've been un-kind but I don't mind, My

love with some-one else, — And tho' I know it's true, — It does-n't make me blue —  
wor-ryin' days are through I'll bait my lit - tle hook, — And go down by the brook —

— You think I'd grieve if you would leave And scratch me off your list, — But  
— I've got good bait, — the fish-in's great, So just take this from me: — In.

when you're go - in', Just go know - in' You're nev - er gon - na be missed. —  
 - stead of wish - in', I'll go fish - in'; There's plen - ty fish in the sea. —

CHORUS

**PATTER**

Now first I had a man who came from Al - a - bam' I  
then I had a hand - some boy they called the Sheik, - He

left him for that strut - tin' fool called Lov - in' Sam, - He  
used to do his sheik - in' sev - en days a week, - He

used to strut but now his strut - tin' days are through, - He  
reigned just like a king un - til he got me sore, - And

fooled a - round I smacked him down like Dan Mc Grew. And  
now he's where he's nev - er "gon - na rain no more." Don't want no

**Extra Catch Line**

Unless you want to fight  
Just say "Goodnight"  
I've got a brand new daddy coming and his name's Dynamite  
I had someone else before I had you  
And I'll have someone after you're gone.
