VOICE

Why do you treat me the way you do — I've got feelings just the same as you How would you like some one that's  
Most ev'-ry-one says that love is blind They meant me because I can-not find A girl that really wants to

al-ways mean Someone to make you blue — You al-ways want to have things your own way You  
love but me — Some-one that's good and kind — I've tried so hard just to be - lieve in you 'Cause

nev-er think of me — One lit-tle word to you I'd like to say Won't you lis-ten to my plea —  
you were all I had — I need you like the ros - es need the dew Please don't make my whole life sad —

## CHORUS

Why don't you try to get a-long with me — You know how much I need your compan - y — My

heart is sigh-in' For you it's cry-in' Why don't you have a lit-tle sym-pa - thy — Each time that

we're to-geth-er it's the same — You pick on me when you're the one to blame — But

dear-ie let's not quar-r'l from to-day I promise to come more than half way — Why don't you

try to get a-long with me — 'Cause I can't get a - long without you — Why don't you you — *D.C.*
