I can't leave it, Its the on-ly on-ly dance for me: And I want to lead the kit-ty,
to the play-ing I could keep a go-ing 'til the break of day: If you let me lead the kit-ty,

Lead the kit-ty, it looks so pret-ty; In ev-ry cit-y you can see the folks a pus-sy foot-ing

All a-round the hall, it's such a cute lit-tle swin-gy dip, I nev-er want to quit; Lead me to it,

Lead me to it, I want to do it, I want to do it, now it's time to take an-

oth-er ride, Come on and float to dream-land by my side, It makes me sigh, cry,

Oh! want to lead the kit-ty all a-round, And I round.
