CHORUS

When the sun goes down in Switz-er-land, Hand in hand I'll stroll with
 you, To a moun-tain stream where lov-ers dream, Will you make my dream come
 true? And while we wan-der a-long, We can yo-dle a song, At the
 end of a per-fect day; When the sun goes down in
 Switz-er-land, I want to steal your heart a-way. When the way.
