Respectfully dedicated Theda Bara, America's fascinating vampire queen.

WHEN THAT VAMPIRE ROLLED HER VAMPY EYES AT ME.

WHO IS SHE? Queen of the Primrose Path, Passion, Pleasure, Frivolity, Beauty. Affinity of his Satanic Majesty of Hades.

A Vampire's charm means trouble, not joy,
A Vampire's eyes are Satans decoy;
A Vampire's bait is lingerie fine,
A Vampire's nest is song with drugged wine.
A Vampire's kiss from rosy lips red,
A Vampire's sting where virtue is dead;
A Vampire's love always means remorse,
Man, made her a vampire with no recourse.
