All thru the day I
I'm sad and blue the

Till ready

sigh and cry, And here's the rea-son why, No-one seems to care for me,
whoe day through, But night-time brings me you, And in dreams when you are near,

I'm as lone-ly as can be. All my troub-les dis-ap-pear. All thru the night my heart is light, And here's the rea-son
I go to sleep in sor-row deep, But soon my heart is

why; The on-ly real pal I have it seems, I see in my dreams.—
free; I'm hap-py when I'm in slumb-er-land, Where you wait for me. —
