BILLY ELLIOTT.**

Music by
BILLY JEROME.

CHORUS.

Come and hear that jazz band play,
Come and drive them blues away;
Hear that slide trombone
Right back on his own,
Everybody's jazzin' on that great highway.
See them raggin' up and down,
Lawdy, it's the craze all over town;
Oh, that haunting melody! it makes me glad.
Listen to that jazz band play.
