Till Ready

An i - vy co - vered cot - tage by the sea —
Time pass - es on and still I long to see —

Where true love waits, dear, for thee, — Sweet mem - o - ries of you still
Your sweet face so dear to me, In spi - rit al - ways sweet - heart

lin - ger there, — It seems like yes - ter - day, — Can't you hear me call - ing you?
you and I — Will live and love for aye, — But with - out you here I sigh:

Refrain (tenderly)

I'm lone - some, dear, — For you I'm wait - ing, — I'm lone - some here, —

Till you re - turn, Come back a - gain, And tell me

then Your heart is yearn-ing, and burn - ing, Don't for - get me,

Tho' years roll on, And we are part - ed, I pray to God,

your voice to hear, I'm lone-some, dear, I'm ev - er wait - ing,

wait - ing, Don't you know I'm lone-some, dear, for you. I'm lone-some you.
