My ba - by I know that you want me Each lone - ly night and
I dream of your ba - by ca - res - es Dim - ples and gold - en

day Your dear blue eyes how they haunt me Though you are
hair And reach out to clasp you in my arms To find on - ly

far a - way Oh why did she take you a - way from my
emp - ti - ness there Your fu - ture has been the chief aim of my

arms and leave noth - ing to cher - ish there She left me so
life you'll nev - er know what it means My plans and my

blue but when she took you too it seemed more than I could bear My
schemes are all blast - ed it seems for you are mine on - ly in dreams
