Wait Till The Sunshines

Words and Music by
ESTELLA REEVES

Moderato

VOICE

When things go wrong with you and you feel sad and blue Just wait a - while

and try to smile Don't ex-pect to lean on some one's shoul - der

Just brace up and face it all the bol - der For just as sure as day-light follows

night ——— Just that sure your gray days will be bright. ———

CHORUS

p-f

Wait till the sunshines a - gain ——— For sun-shine will

p-f

fol-low the rain ——— You'll find as you go on your way ———

- It makes no difference what you were its what you are to - day And all through

life you'll find it just the same When you look for sympathy you look in

vain Put you trouble's on the shelf Keep them all to yourself and wait till the

sun-shines a gain.
