I re-call a sum-mer's day, When you and I had strolled a-way, And  
I re-call our sud-den gasp, Of pure de-light and then the clasp, Of

sud-den-ly a storm drew nigh. Seek-ing shelt-er from the rain, We  
hands that said, "Do you see too?" With that clasp a stor-y starts, For

hur-ried down a lit-tle lane, And found a love-ly spot near by  
then it first dawned in our hearts, That you loved me and I loved you

'Twas just a gar-den in the rain, Close to a lit-tle leaf - y lane,

A touch of col - or 'neath skies of gray;

The rain-drops kissed the flow-er-beds, The blos-soms raised their thirst-y heads,

A per-fumed "thank you," they seemed to say

Sure - ly here was charm be - yond com - pare to view! May - be it was

just that I was there with you. 'Twas just a

gar - den in the rain! But then the sun came out a - gain, And sent us

hap - pi - ly on our way. way.
