me- e, and you-ou, All a-bout my love for you-ou It's sweet as it can
joy-ful, yes joy-ful, Ev'ry one sees that I'm cheer-ful, As cheer-ful as can

be, Ho - ho, He - he, Just lend an ear to me:
be, Ho - ho, He - he, The rea-son's plain to see:

Chorus

It's hard to see a fly up-on a moun-tain, The dis-tance in-ter-feres with the view, But
 It's hard to see the rea-son why I'm sing-ing Per-haps you'll find my notes kind-a blue, But

p-f

an-y-one can see with half-an-eye That I'M CRA-ZY O-VER YOU It's
 an-y-one can see with half-an-eye That I'M CRA-ZY O-VER YOU It's

hard to see a nee-dle in a hay-stack, The hay is in the way of a view, But
 hard to see what all of this is bring-ing, You won't give me a ghost of a clue, But

an-y-one can see with half-an-eye That I'M CRA-ZY O-VER YOU You
 an-y-one can see with half-an-eye That I'M CRA-ZY O-VER YOU You

Note: For novelty effect, play right hand one octave higher.
I'm Crazy Over You 3

need a tel-es-cope to real-ly get the dope on stars up in the blue But
 need a col-lege prof, a sen-ior or a soph to prove a fact is true, But

you don't have to buy a tel-es-cope to spy that I'm in love with you It's
 hon-ey I'm so wild a kin-der-gar-den child could see that I love you It's

hard to see the bot-tom of the o-ccean, The wa-ter in-ter-feres with the view, But
 hard to see the sense in all this non-sense I s'pose you're kind-a glad that I'm thru, But

an-y-one can see with half an eye That I'M CRA-ZY O-VER YOU. It's
 an-y-one can see with half-an-eye That I'M CRA-ZY O-VER YOU. ^A
