or - i - en - tal land a - cross the sea Lived a lit - tle maid-en  
now they live to - geth - er hand in hand And their home is just a

dusk - y as can be Who was like the lo - tus flow'r, - That  
dug - out in the sand And his o - ri - en - tal bride - Just

blossomed ev - 'ry hour But more beau - ti - ful than lo - tus flow'rs could be  
fills his heart with pride And of course she thinks her name is sim-ply grand

One day a lov - er came Gave her this mys - tic name.
