I'm as blue as I can be _____ And there's no-one to pit-y
At the set-ting of the sun _____ That's when I crave a lov-in'

I sit a-round and sigh the whole day long
Some lov-in' sweet-ie who knows how to love

I must ad-mit that there is
A some one who knows how to

On-ly just a week a-go
In the mir-ror yes-ter-day
