Molto

Lis - ten bud-dies all of youse  
Good bye old friend Rock and Rye

I have got some aw-ful news  
To see you go makes me cry

On the first day of Jul - y  
You made me hap-py you made me glad

Old John Bar-ley-corn is  
You're the best old pal I've

gon a die And if you've got an aw-ful thirst  
ev-er had There aint no use to moan and cry

You bet-ter quench it fore the first  
For the wa-ter wag-on will soon be bye

If you don't heed this bit of news You'll be sing-ing Pro-hi-bit-ion blues  
Now that I have to give up booze I have got the Pro-hi-bit-ion blues

CHORUS

I've got the Pro-hi-bit-ion blues For want of

in-tox-i-cat-ing booze Be-vo and grape juice are

might-y fine But they don't sat-is-fy that long-ing of mine There will be no more in-

tem-per-ant dues That's why I've got the Pro-hi-bit-ion blues I've got the blues
