Up to the hills — where the wild flow - ers grow. —  
 They on - ly judge — from the things that I do, —

Ask me why I go there, What do I do? —  
 You're the on - ly rea - son Why I'm this way, —

Can't you guess? It's all be - cause of you, —  
 Just three words can make me feel O. K. —
