Moderato

When I try to tell my feel-ings for you, _____
You have al-ways seemed so far a - bove me, _____

Love's a word that some-how will not do; _____
That I have de-spaired of win-ning you; _____

Rath-er I should say that I a - dore you _____ For
When you told me that you real-ly loved me _____ I

like a thing di-vine, I wor-ship you.
scarce-ly could be-lieve that it was true.

CHORUS

A - dor - a - ble is all that I can call you

— For that is all you can be; A -

dor - a - ble, how can I help a - dore you? For more and more you

are dear to me, Two eyes with light di-vine that

al-ways shine so rad-i-ant-ly; And lips to kiss As

full of bliss, As heav-en can be, Oh, you are sweet-er

far than all the world to me, As a-dor-a-ble as

an-y-one can be. A-be.
