Whistlin' The Blues Away

By WENDELL W. HALL
& CARSON J. ROBISON

Not Fast

The musical score is written for piano and voice. It begins with a piano introduction in G major, 4/4 time, marked 'Not Fast'. The piano part features a steady eighth-note accompaniment in the right hand and a more active bass line in the left hand. The vocal melody enters in the second measure with the lyrics 'When the wear-y blues come steal-in' 'round, It's a long old road that does-n't turn,'. The piano accompaniment includes dynamic markings such as *f* (forte) and *mf* (mezzo-forte). The lyrics continue: 'And all your dreams come tum-bl-in' down, And bye and bye you're go-in' to learn, Don't think that That hard luck life is all in vain. You'll find a nev-er comes to stay. You may be'. The score concludes with a final piano flourish.

When the wear-y blues come steal-in' 'round,

And bye and bye you're go-in' to learn, Don't think that
That hard luck

life is all in vain. You'll find a
