p

I've of-ten heard that a Blue - bird, is a sym-bol of hap - pi - ness, —

p

That's why I call you my Blue - bird, but you made me sad I'll con - fess. — Tho I

know it can - not be — you still mean the same to me. —

CHORUS

When first we met, you won my heart, I fell for you

right from the start, I sought your love dear, you smiled on me,

Now that I'm blue dear, I crave sym-pa - thy, Just when I need you, you leave me a -

lone, I beg you with tears in my eyes, ——— It would be cruel to

go, for I love you so, Now please don't say Good bye. ———
