I'm just craz-y bout a girl named Sus-ie Lee, I don't love no one but her But she don't love me,
I heard Sue will wed a man called Mis-ter Brown I spent all I had on her Then she threw me down

So I joined the Nav-y and I'm go in' to sea For Sus-ie Lee
So it's no use for me to keep on hang-ing a-round I got the blues

sure has de-ceived poor me Now I can't help from feel-ing bad, I know that you would feel bad
and I am deep sea bound I've been mis-treat-ed got the blues so bad it's hard to keep from

too cryin' From now on it's no use talk-ing, I tell you all that I am through
While on the bat-tle ship if I get killed I real-ly don't mind di'en

My heart's broke a-bout my Sue and I have got those steam-ship deep sea Blues.
For I'd just leave die as live if I must live with out that Sue of mine.

I wrote her a let - ter Say - ing I was go - ing to sea Oh And that she would
I've heard that old say - ing I guess you have heard of it too It's aw - fully hard to

love some one when they don't_ love you It's some - thing that will give an - y -
