p Not too fast

Lis - ten, friends, Burn - ing the can - dle at both of its ends

Made me get this way.

Can't you tell I've run a - round on a swift car - ou - sel?

Now I have to pay. —

mp I used to dis-si-pate But that's in the dark past. —

mp I can't par-ti-ci-pate In par-ties that move fast. —

p I need rest, That's what the doc-tors and law-yers sug-gest

And I must o - bey.

Refrain (*full of rhythm, but not too fast*)

I've got to slow down, I'm get - ting too

low down. I sim - ply have to throw down

My chan - ces for fun. I'll be a

pure thing — And you can say “poor thing,”

mp-f

— And pi - ty me, but sure thing — It's got to be

done. — And tho' I'm bored to tears I'll just say:

(Uke silent) mf

“Ain't life beau - ti - ful?” Like that laugh - ing -

-weep - ing clown: (Ri - di Pa - gliac - ci) Good -

bye life of whoop - ee and high life,

- You're noth - ing now in my life I've got to slow

down. I've got to down.
