I don't know and I can't see,
I went to the Ba-by's Ball,

Vamp slow

p *mf*

But it sure is strange to me
At the swell Jazz - bos Hall

All the dolls in this here town
And they all did real-ly shout

Want to think that I'm a Sheik I'll be bound
When I did that brand new fan - cy cut out

When they say hel - lo to me
I was right in line you see

I al-ways say hello back
did - n't mind strut-ing my stuff

'Cause I know they're not to old and
Did the one-step, did the two-step,

hang-ing on the rack
and I don't know what

Of course they are all right with
And when the She-bas got too

me
bold

But this I can-not get them all to see.
Be - lieve me I had too sure get them told.

Chorus (Not too fast)

I ain't no Sheik, just sweet pa - pa thats all. I ain't no Sheik, some -
