Your lov - in' Eph - ra - ham, - he leads a  
Now hon - ey ain't it grand, - I see you

*Vamp.*

*p*

jaz - bo band - you nev - er heard such har - mo - ny You want to  
un - der - stand - just how the jaz - bo mus - ic goes Just hold your -

sway and sway - When they start to play - On a down home mel - o - dy The mus - ic  
self in geer - You'll be feel - ing queer - From your head down to your toes Oh what a

that they use, - is just the lov - in' blues, - The kind that makes you faint a - way  
fun - ny strain, - it makes you young a - gain, - There's noth - ing like it you can bet

Now hon - ey stand right near and I'll let you hear, How a mil - lion jaz - bos play. —  
 I'm goin' to play once more that — lov - in' score, Just — so you won't for - get. —

**Chorus.**

First you hear a slid - in' on the old trom - bone — Just hear it moan Just hear it moan

Hear a lit - tle toot - te - tute up on the flu - te tute List - en to the groan up - on the sax - o - phone you hear a

bass drum, a cor - net a pi - an - o — They all start to - geth - er kind of nice and slow. — You hear a

slam bam ziz zam zam — That's Eph - ra - ham's Jaz - bo Band. — Band. —
