When I look in-to your lit-tle ba-by face—
Now I've had my eyes up-on you quite a while—

I wan-na call you "sweet ba-by,"
You know I'm try-ing to get you,
Once I used to say my love I'd
But some-how you al-ways hide your

nev-er waste,—
ba-by smile,—
But now you know that you've made me,
Be-cause you know that I'll pet you,
List-en, my pet,—
What must I do?—

Don't you for-get,—
You know I'm true,—
I'm goa-na win— your heart yet:—
You know just why— I'm so blue:—
