VAMP

She may come back some day  
Out in the frost and snow

then I will have to say

She broke my heart one day  
And bring her all the dough

to pass the time a - way  
be-cause I certain-ly know

She's some girl  
She's some Brown

surely ba - by you can bet  
surely ba - by you can bet

Sure ba - by you can bet  
Sure ba - by you can bet

my ba - by  
my ba - by
