*f*

There's a haunt - ing lit - tle strain, -  
No one knows just how it goes, -

*p* *mf*

Hear it ev - 'ry place I go. Some - how I just  
Still they sing it an - y - how. Full of pep, it

can't ex - plain, Why I like it so - I can't chase it  
makes you step, - When you dance and how - Not a class - ic,

from my brain\_ Seems to haunt me night and day,  
just some jazz\_ Jin - gles right a - long in tune,

It's a cling - ing, jing - ling thing.\_ That just won't go 'way.  
Don't know what the darn thing has, \_ But you'll sing it soon.

CHORUS

It's just the sim - pl - est thing, \_ But oh, what a swing, \_

*p-f*

Jing - a - ling - a - ling - a - lee. You're bound to hear it a - round, \_

all o - ver town, - Jing - a - ling - a - ling - a - lee.

Good for you, - good for me. - Sweet as bird - ies sing - in'

in a tree. - Drives a - way blues, - Just like good news, -

Jing - a - ling - a - ling - a - lee. It's just the lee. -
