(Mee-ow!) FINE.

CHORUSES AFTER 2nd VERSE.

1.

Felix kept on walking, kept on walking still,
 Cannibals then caught him,
 Tasty bit they thought him.
 Skinned him like a rabbit,
 He was so "cut up" until
 A nigger's scalp he noticed there,
 Stuck it on where he felt bare,
 Raised his hat and said "There's hair"
 And kept on walking still.

2.

Felix kept on walking, kept on walking still
 By a train at Dover,
 Had his tail run over.
 On the rail he left his tail,
 It gave the folks a thrill;
 Still for that he didn't care.
 Though he had no rudder there,
 Wagged his "nothing" in the air,
 And kept on walking still.

CHORUSES AFTER 3rd VERSE.

1.

Felix kept on walking, kept on walking still,
 Now poor Auntie Eva
 Has a full grown "beaver"
 On the tiles he went last night.
 Those tabby cats to thrill,
 Met a Frenchy cat named Lou,
 She said, "Do you parley vous?"
 He said, "Yes, but not with you,"
 And kept on walking still.

2.

Felix kept on walking, kept on walking still,
 Someone tried to drown him
 With a brick tied round him.
 Shoved him in the rain-tub there,
 But him they couldn't kill.
 Started lapping with his tongue
 Till that water all was done,
 Then he crept out through the "bung"
 And kept on walking still.

FINISHING TAG.

Kept on walking, Kept on walking,
 Kept on—walking—still. Mee-ow!
