Blues have got the best of me, Now I want to go:
If you knew you'd all a - gree, That I ought to roam:
Chorus
Down to that Blue - - land, Blue - land,
mp – f
Down in Ken-tuck-y where life is sweet, The grass is blue
and you stand O. K. with ev-'ry-one that you

meet. Two eyes of blue like skies of blue they are wait - ing for
me al - ways, Two eyes of blue that make the sun ev-en shine up-on rain-y days;
Down in my Blue - land, true - land, You're the
best, yes the best of the whole Red, White and Blue - land. - land.
