While think-ing of— the loved ones I left— down

I have learned my les - son — Be - lieve me I am through And

I'm goin' to the sta-tion and get the fast-est train that goes, I'm
 Be-cause my mam-ma told me and my dad-dy told me too, I
 I have foundout it does-n't pay to love a north-ern man, I
 Be-cause their love is like a fau-cet, it turns off and on, I
 I'm goin' back down south, if I wear out nine-ty pair of shoes, I'm

goin' to the sta - tion and get the fast - est train that goes, —
 say my mam - ma told me and my dad - dy told me too, —
 have found out it does - n't pay to love a north - ern man, —
 say their love is like a fau - cet, it turns off and on, —
 goin' back down south, if I wear out nine - ty pair of shoes,

I'm goin' back South where the weath - er suits my
 Don't go North and — let them make a fool of
 Can't get them when you — want them, catch them when you

EXTRA CHORUSES

You know my poor mother's old and her hair is turning grey,
 I said my poor mother's old and her hair is turning grey,
 'Twould break her heart to see me livin' this way.

You know there's an old saying, it never rains but what it pours,
 I say, there's an old saying, it never rains but what it pours,
 But all will be alright, when I reach those swanee shores.

Oh just as sure as the trains make up in these Northern yards,
 Oh just as sure as the trains make up in these Northern yards,
 I'm goin down South, if I have to ride the rods.

Say when I get back, the folks will meet me with outstretched arms.
 Say when I get back, the folks will meet me with outstretched arms,
 Father and mother, will protect me from all harm.
