Moderato

The piano introduction consists of two staves of music in a 2/4 time signature. The key signature has two flats (B-flat and E-flat). The music is marked 'Moderato' and begins with a dynamic marking of *f* (forte). The melody is primarily in the right hand, while the left hand provides a steady accompaniment.

The piano introduction continues with two more staves. The melody in the right hand features a prominent eighth-note pattern. The music concludes with a dynamic marking of *p* (piano) and a repeat sign.

The first system of the song includes a vocal line and piano accompaniment. Above the vocal line are seven ukulele chord diagrams. The lyrics are: "Say old pal, by the way, old pal, I hear you're go - ing South, Try and Wish I could, If I could I would, Go right down there with you, For I". The piano accompaniment is marked *p* (piano).

The second system of the song includes a vocal line and piano accompaniment. Above the vocal line are four ukulele chord diagrams. The lyrics are: "see my mam-my for, me, She lives way down in Ten-nes - see, knowhow tick-led she'd be If she could get a look at me." The piano accompaniment continues with the same accompaniment pattern.

You may meet walk - ing down the street, - Like strang - ers oft - en do, — If

CHORUS

If you should see a soul that's happy Stroll - in' with a grey hair'd pap - py, That's

p-f

Smil-in' at each one that pass-es, That's my mam-my!

— If you should see a sil-ver haired old la - dy, Sit-tin' with her

knit-tin' where it's shad - y, Just mention me, watch her ex-pression, Then if she should

say: "God bless him" Give her all my love 'cause that's my mam - my! If my!
