" COMPOSER OF THE FAMOUS "
JUNGLE TIME RAG

PUBLISHER **SEVERIN** MOLINE, ILL.

Since publishing "JUNGLE TIME RAG" (a tremendous Hit) which was highly endorsed by the public, and one who's popularity it would seem, will never die, the composer has been swamped with requests from all over this country and abroad to give to the public another Rag from the same Pen, hence, "SKY ROCKETS" which the writer has aimed to make a worthy successor to "Jungle Time," the result is a Rag which can be played over and over again, and instead of palling the listener develops new beauties and gives additional pleasure with each repetition, like Old Wine, SEVERIN'S RAGS improve with age, and by reason of this ones undoubted originality and the freshness of its melodies and style its popularity can be expected to extend for long years to come.
