Don't you hear it?— don't you hear it?—
Now I hear it.— yes, I hear it.—

Can't you hear that lov - in' - strain? Oh! hon' I fear it—
Gee! but that's some har - mon - y Just see him play - ing.—

we must be near it— There it— goes a - gain, Tell me hon - ey what's
what's that you're say - ing— Don't you change that key. Catch me hon - ey I

that he's play-ing It's so en-trance-ing see those coup-les sway-ing
know I'm dy-ing It's mes-mer-iz-ing ev-'ry-bod-y's cry-ing

There's noth-ing to it I just have got to do it Oh! that Mex-i-can Twist
Come on and twist it I nev-er could re-sist it Oh! that Mex-i-can Twist

CHORUS

Come on and dance,dance,dance that Mex-i-can Twist, It am a tune, tune,

tune I can't re-sist Wrap your arms a-round me hon-ey hold me tight

Then we'll dip, then we'll tip from left to right Now we're lift_ing, now we're drift_ing

hon' I'll go in_sane Stop your crawl_ing, we'll be fall_ing back to earth a_gain

Oh! I want to sigh, Oh! I want to cry, No, No, I want to die,

Do_ing that Mex_i-can Twist._ Come on and Twist._
