EXTRA CHORUSES

You won't be laughing this winter
 When you're left out in the storm
 Even if it's below zero
 I know that I'll be kept warm
 When there's another mule hitched in your stall

Pack up your rags and just travel
 You're all through doin' me wrong
 If you keep goin' forever
 I won't think you stayed too long
 When there's another mule hitched in your stall
