Mod.

What's the use of hes - i - tat - ing
Lis - ten dear - ie lis - ten for a

Vamp until ready

dear - ie, For we all must love some day, I
mo - ment, Now if I should mar - ry you, We'd

fear my heart is grow - ing ver - y wear - y, Why not start in right a -
have to have a swell flat in the cit - y, And a sum - mer cot - tage

way, Im think - ing of you al - ways and you on - ly, Im
too, Of course you'd dress me in the lat - est fash - ion, We'd

long - ing al - ways long - ing just for you, Now dear dont make me wait Im
have an au - to and a chauf - fer too, Now I dont think it's ask - ing

lone - ly, Just tell me that you're lone - ly too.
much dear, To win a girl like me do you.

CHORUS.

You have got me guess-ing, I real-ly don't know what to do, You

seem to be sin-cere dear, And ver-y lov-ing too, But

I've met lots of fel-lows, who talk the ver-y same as you, Just

tell me that you'll always love me, and then I'll love you too. too.
