VOICE

Why do you try to wa-ken mem-o - ry, — Why talk a-bout the days that used to be, —
 Tho'there's a fire still down in my heart, — Why should you try to give that flame a start, —

You say you love me, but you know that's not true, — I can't for-get the tears I cried o-ver you, —
 You keep it burn-ing'til you seem to for-get, — And then I put it out with tears of re-gret, —

I told you once that there would come a day, — You'd want the love that you threw a - way, —
 Each smile and kiss you al - ways gave to me, — You knew you'd leave as a mem-o - ry, —

I'll tell you just the same as you told me, — There's lots of fish down in the sea —
 Why should you ask me for a love that's true — That nev-er meant a thing to you —

CHORUS

You did - n't want me when you had me, — So why do you want me

now? — You fooled a - round 'til you found, I was yours from the start — Then like a

child, with a toy, you just played with my heart, — You nev - er meant the things you

told me, — You could - n't be true, some - how — You have heard the sto - ry of the

moth and the flame, What a fool I'd be to play with fi - re a - gain, — You did - n't

want me when you had me, — So why do you want me now? — You did - n't now?
