## Chorus

In the eve-ning by the moon-light, what a dear sweet mel-o - dy, — How it haunts me and

*p-f*

taunts me, In the days that used to be, — While un-der-neath the moon — With your

girl you'd love to spoon, - And dream of your hap-py wed-ding day (Well go and get the preach-er  
right a - way) How the old folks would en - joy it, They would sit all night and  
lis - ten, As the dar - kies crooned this song sweet and clear, It  
sure - ly was grand, When dad - dy held moth - er's hand. In the eve - ning by the  
moon - light dear. In the dear.
